

# BAKE FOR BIBIC

## AND CHANGE CHILDREN'S LIVES

Fundraising never tasted so good!

# STAND TOGETHER AND BAKE FOR BIBIC

Every penny you raise will make a difference to children and their families who deserve to live a happy life

On average, 3 children in every UK classroom have some form of learning or developmental difficulty and only 8% of disabled children receive regular support from the government; the demand for our service is overwhelming!

Your mixing and baking will enable us to help more children learn to feed themselves, sit without support, move without help, smile, cuddle, say 'I love you', laugh, communicate their needs and cope better in the world around them.

Whether you bake or fake, it doesn't matter. Vital funds are needed to support more children who need our help, so that life at home and school is more fun and rewarding.

Sometimes, it really is the simple things that make a big difference to help families and their children live a better, happier life.

You will change lives with every bake.

## Thank you!

## Bake a difference for Martha

Meet Martha. Martha has Jacobsen's Syndrome, an extremely rare condition. Martha has already seen almost 40 specialists in her young life. Overwhelmed with appointments and plans Laura, Martha's mum, found bibic and our support has made a life changing impact.

Laura explains how bibic has not only joined all the dots together but has changed their lives. Every time they come to bibic they love that the therapists help Martha to do something new, from kneeling to holding her own bottle for the first time.

Find Martha's inspiring story in your fundraising pack, and please share it. Your fundraising will give other families and their children the chance to benefit from our life changing therapy services.

# 5 top tips for a mouthwatering success

## 1 Choose when and where

Your event, your choice. There are so many options...

- **At home** – relax with friends and family and play some of our fun games to raise extra dough
- **At your local church, village hall, sports club or school** – a lovely opportunity to bring people together for tea and cake, raising money for a great cause
- **At work** – organise a bake and cake sale with colleagues. Maybe there's a #starbaker in your office

## 2 Create a stir!

Let people know when and where...

- **Display the event poster** in your pack. It's really easy to create a Facebook event too
- **Lovely invites** have been included to let your friends and family know about your bake off event. Remind everyone to bring plenty of extra pennies for games
- **Get your bunting out** so people can spot your event from outside

## 3 Get baking together

Whether you're a master baker or a complete newbie, it doesn't matter...

- All you need is bags of enthusiasm and a recipe for something rather delish

## 4 Fundraising and donating never tasted so good

We want to make it as easy as possible for everyone to make their donations and help change children's lives

- **Put together** your cardboard money collection pot and place it at your event entrance or on the tables
- **Sell your cakes**, treats and drinks for a bundle – say £3 per person. Work out your fixed price and what this will include
- **Spread the word** about bibic and how we help children and their families living with disabilities and difficulties. We may be able to help a child and family you know

Add extras to get a rise in your dough...

- **Sell** some homemade jams, chutneys, crafts, cards or jewellery
- **Play** our FUNdraising games with guests
- **Hold** a raffle with locally donated prizes
- **Get social** – raise awareness of your event, share photos and videos with us on social media

If your guests do not have cash on them they can also:

\*Write a cheque made payable to 'bibic'\*

\*Pay in a donation online at [www.bibic.org.uk](http://www.bibic.org.uk)\*

\*Text **BBBO18 £5** to 70070 to donate\*

(Change the amount to donate more!)
