

## Guide to booking a skydive for bibic

The **booking form** is [here](#)

1. Click **book now**.
2. Click to highlight **jump for charity**.
3. Click **Jump for Free Scheme** and just above this you will see Upcoming bibic events, click **10:00** and this will autofill the jump day. All jumps are **15,000 ft** for the best experience.
4. Click **next** and **fill in all your details**.
5. Click **next** and go through to **Extras** – this is the page where you can book those great memories (the deposit refers to the **photographs, videos**, etc. and not the jump which is on the next page).
6. Click **next** to go to **payment** and tick a couple of boxes and then proceed to **pay the £50 deposit**.

You will receive a **registration email**, you then need to **set up your Just Giving Page**.
