Transforming lives through
developmental therapy

Be **BOLD** for bibic
fundraising pack

About us

We offer holistic therapy to children and young adults, with neurological, behavioural and developmental challenges, enabling them to understand themselves and the world around them. We champion their perspective, helping others to see it too. Together we transform families' lives so they can thrive.

We have been supporting families in the South West and across the UK for 51 years!

We treat every young person as the unique individual they are. We develop our assessments depending on the difficulties they are experiencing. It is this holistic and integrated approach that makes bibic's individualised therapy so effective at supporting children and young adults in their day to day lives.

Our impact

We support children and young adults with neurological difficulties and disabilities from across the UK.

The bibic report meant school could implement the recommendations and our son is now more likely to engage in education.

Our daughter is less isolated in school and more able to have positive relationships with peers and teachers.

Thank you for choosing to support bibic

Be bold in style!

Whether it's nail painting, party throwing, tutu shimmying or even raiding your draws for a snazzy pair of socks, there is a way **everyone** can be bold for bibic!

Here at bibic, anything goes; the bigger the better!

So lets all give it a go and **BE BOLD** for bibic!

Our handy tips

Be prepared

Organisation is key, so plan your be bold for bibic day in advance, and let anyone who wishes to donate know what you are doing too

Be social

Share your story to as many people as possible. Friends and family are always the best support you can find, so spread the word!

Be a target setter!

Setting a target helps raise more funds for our amazing cause!

Be a Gift Aid giver

Don't forget the Gift Aid! If you are a UK tax payer, your donation alone can be increased by a whopping 25%, so if you're donating online, please remember to tick the gift aid box if this applies to you

Be Digital

Why not set up an online fundraising page. With the click of a button, your supporters are one step away from making easy and quick donations on a platform that can also share your story.

Be impactful

Tell your supporters why you want to help increase funds for such a worthy cause. Why not add photos and share online

Be in touch

Any questions, queries or if you're simply in need of some advice, we have a team here at bibic on fundraising@bibic.org.uk or 01458 253344

Do's and Don'ts

Do...

Tell bibic about your fundraising plans and stay in touch to let us know how it's going - our job is to help you, so let us know how we can!

Promote bibic! Fundraising also helps us to spread the word about our services so thank you! This also means you are a spokesperson for bibic which gives you the responsibility to maintain our good reputation.

Be clear that donations are going to bibic, funding our essential services.

Ask us about fundraising materials - we can help promote your fundraising through our website, social media, and provide you with a collection tin.

Don't...

Use the bibic logo without seeking permission first - by law we have to give you our 'in support of' logo to support your efforts.

Forget to thank everyone who donates! Report back to them about how much your fundraising has raised and what it will be used for - we can keep in touch with you and help spread the news about the positive impact of your work.

Don't forget to get any necessary permissions - the council needs to provide permission for any street or door to door collections, licenses, selling alcohol of public entertainment.

You must...

- Keep all funds raised in a safe and secure place separate from your own money.
- Keep details of all monies received or pledged, all events proceeds, a record of activities carried out and return sponsorship forms to bibic.
- Offer donations back to people should your event fail to take place.
- Any funds you receive belong to bibic and must be gifted to bibic straight after your fundraising event.
